MINISTRY VALUES AND REQUIREMENTS

Welcome!

Thank you for considering the ministry of Dr. Ursula T. Wright. Please review the ministry values and requirements below which will answer any questions you may have in booking Dr. Ursula T. Wright for your event.

Dr. Ursula T. Wright and her team minister under the 'covering' of UWright Global Ministries Inc. Our goal is to see people experience the living waters of refreshing, hope, freedom, healing, and the fullness of Christ. Through teaching and worship ministry, we seek to support functions that connect with our vision of strengthening the authority of believers and churches to govern their lives and territories to the glory of God.

Our Mandate:

We are committed to transforming the earth through the power of sound! WE live God and Change Lives!

Our Core Values:

God's Desires. Our ministry is consumed with the desires of our Father as opposed to the desires of men. We believe that when one attempts to please the heart of man in a ministry setting (ie: service, conference, etc.) there is no guarantee that the Father's will may be accomplished. We seek to connect with ministries that allow God's agenda to reign.

Father's Heart. As worship leaders and ministers, we are not actors nor entertainers but rather ministers of the Gospel of Jesus Christ. As ministers, then, we are constrained to communicating our Father's heart to man and man's heart to the Father.

Sensitivity of Spirit. We desire to co-labor with ministries that allow us to be free-flowing as opposed to being planned, scripted and choreographed. We pursue at all times to be sensitive to the communication of the Father and to the activity of the Holy Spirit. We seek environments where God can be fully expressed. We believe in the full expression of the gifts of the Spirit and we minister accordingly.

Team Ministry. We believe that the most productive, fruitful and authentic ministry offered by UGM occurs in 'team' ministry versus 'individual' ministry. To us, a key element is that of trust not talent. The 'community' relationship God has given us with our team members and staff provides the basis for such trust. This team is intentional on being centered on Jesus, and helps Dr. Ursula to minister freely regardless of the ministry setting. Therefore, when Dr. Ursula ministers at a church, conference, etc. as a worship leader or speaker, she prefers to work with her own musicians or personal assistant. Sometimes Dr. Ursula will be sent out with two ministry members, and at other times (for concerts) with the whole band (up to five members). Wherever possible, we seek to include the ministry team with whom that bond of relationship and trust has been built to ensure that your engagement is most effective.
